ASSOCIATION DIRECTORSHIPS

4 Incumbents Win 'Protested' WSIA Election

Westlake Improvement Association—the corporation-like governing body of the 23,000 population residential area—elected directors for 1961 Monday night in a heated session that drew "minority" protests on the validity of the balloting.

For the first time in the Association's history, an opposition group competed with the incumbents and candidates recommended by the WSIA nominations committee.

The opposition group, however, headed by Rodney Eldredge, 211 Lakeshire drive, and Fred J. Walker, 255 Palisades drive, was successful in getting only one of its four nominees, engineer Leonard Brown, 127 Wilshire avenue, on the seven member board.

Eldredge and Walker led a campaign late last week to secure proxy ballots, presumably to upset the Association's traditional method of mustering proxy votes and allowing the incumbent directors to cast these.

Eldredge and H. W. Dickow, 186 Avalon drive, vociferously protested the fact the Association checked out their proxy ballots but did not permit a similar validity check on the Association-cast proxies. Attorney Hartley Appleton of the WSIA argued that Association secretary Alyce Shea and him-

self had verified the validity of the WSIA-cast ballots and assured Eldredge and Dickow that their charges that the election was "stacked" were unsubstantiated.

A motion by Rickow that the validity of the balloting be challenged and the proxies investigated lost by 30-8 vote of members present.

Appleton further pointed out that the reason several proxies submitted by the Eldredge and Walker group were ruled out was that a check of Association files showed that these residents had not paid their dues, therefore were not entitled to ballot.

Only about 40 residents attended the election meeting. There were only 9 ballots cast by members of the audience.

The WSIA directors cast 400 proxy ballots and the Eldredge and Walker group 274.

Highest vote went to Association-recommended Dr. Allen Unger, a Stonestown physician, with 679 votes. He received both the WSIA proxies and those of the Eldredge-Walker group.

Re-elected were veteran chairman Emory Schoolcraft, 406 votes; and directors McRobert Stewart, 405; Bob Brachman, 404, and William Morrisette, 401.

The other berths on the seven member board went to Association-recommended Daryl Ober, 80 Menlo avenue, 404 votes, and Brown, with 277 votes.

The other Eldredge-Walker candidates — Ed Solomon, 33 Southdale avenue; Charles Marcus, 62 Morningside drive, and Gordon Chambers, 68 Mayfield avenue, trailed, but got considerable tallies for defeated nominees. Solomon had 276 votes, and Eldredge and Marcus mustered 275 — all from the WSIA-challenging group.

Appleton pointed out that chairman Schoolcraft and the board had enough proxies for a clean sweep for their candidates, "but they voted for only six instead of seven to give the Eldredge-Walker group representation on the board."

Commented Schoolcraft: "We figure that you people have shown such an interest in this group that you should be allowed to have a position on the board. This is the kind of interest we need to make the association more effective."

Dickow's comment that the Association elections are unfair (Continued on Page 2)

Extension Of Bus Service Asked Here

Heading a request made by Mr. and Mrs. Raymond E. Reinhard, 32 Frankfort street, councilmen last week ordered a letter to the Public Utilities Commission asking for extension of Northgate Transit Company jitney bus service to Wellington, Crocker, Evergreen, Templeton, Acton, Oliver, Whittier, Lowell and Guttenberg streets.

The couple complained that residents of that area have to walk several blocks from their homes to Mission street and would welcome jitney bus service.

Councilman Joseph Verducci, to whom the Reinhard's letter was addressed, said the P.U.C. was the sole jurisdiction on Northgate Transit routes and suggested the P.U.C. take the citizens' request under consideration.

Citizens Give Blood For Heart Operation But Boy, 8, Succumbs

At least 34 persons responded to a plea for blood donations to help little Frederick Dunn, 8, through a serious heart operation last month. Donations and pledges came from parents and teachers in the Jefferson School District, the Westlake Catholic Men's group, Daly City Fire Dept. and other sources.

The boy died during the five-hour operation November 10.

Frederick was the son of Mr. and Mrs. Frederick Dunn of 259 Westridge avenue. A third-grader at Olympia Elementary School, he suffered from a condition known as arterial septal defect. It was hoped that an operation would correct this, but even as Fred knew, doctors could offer no guarantee of success.

The odds proved too great. The boy succumbed to a cardiac vascular collapse which occurred during surgery.

The 34 pints pledged far exceeded what doctors anticipated would be needed for the operation. The original estimate was 20 pints. When the boy expired, only 10 had been used.

Frederick Dunn Sr., a salesman, suffering from emotional

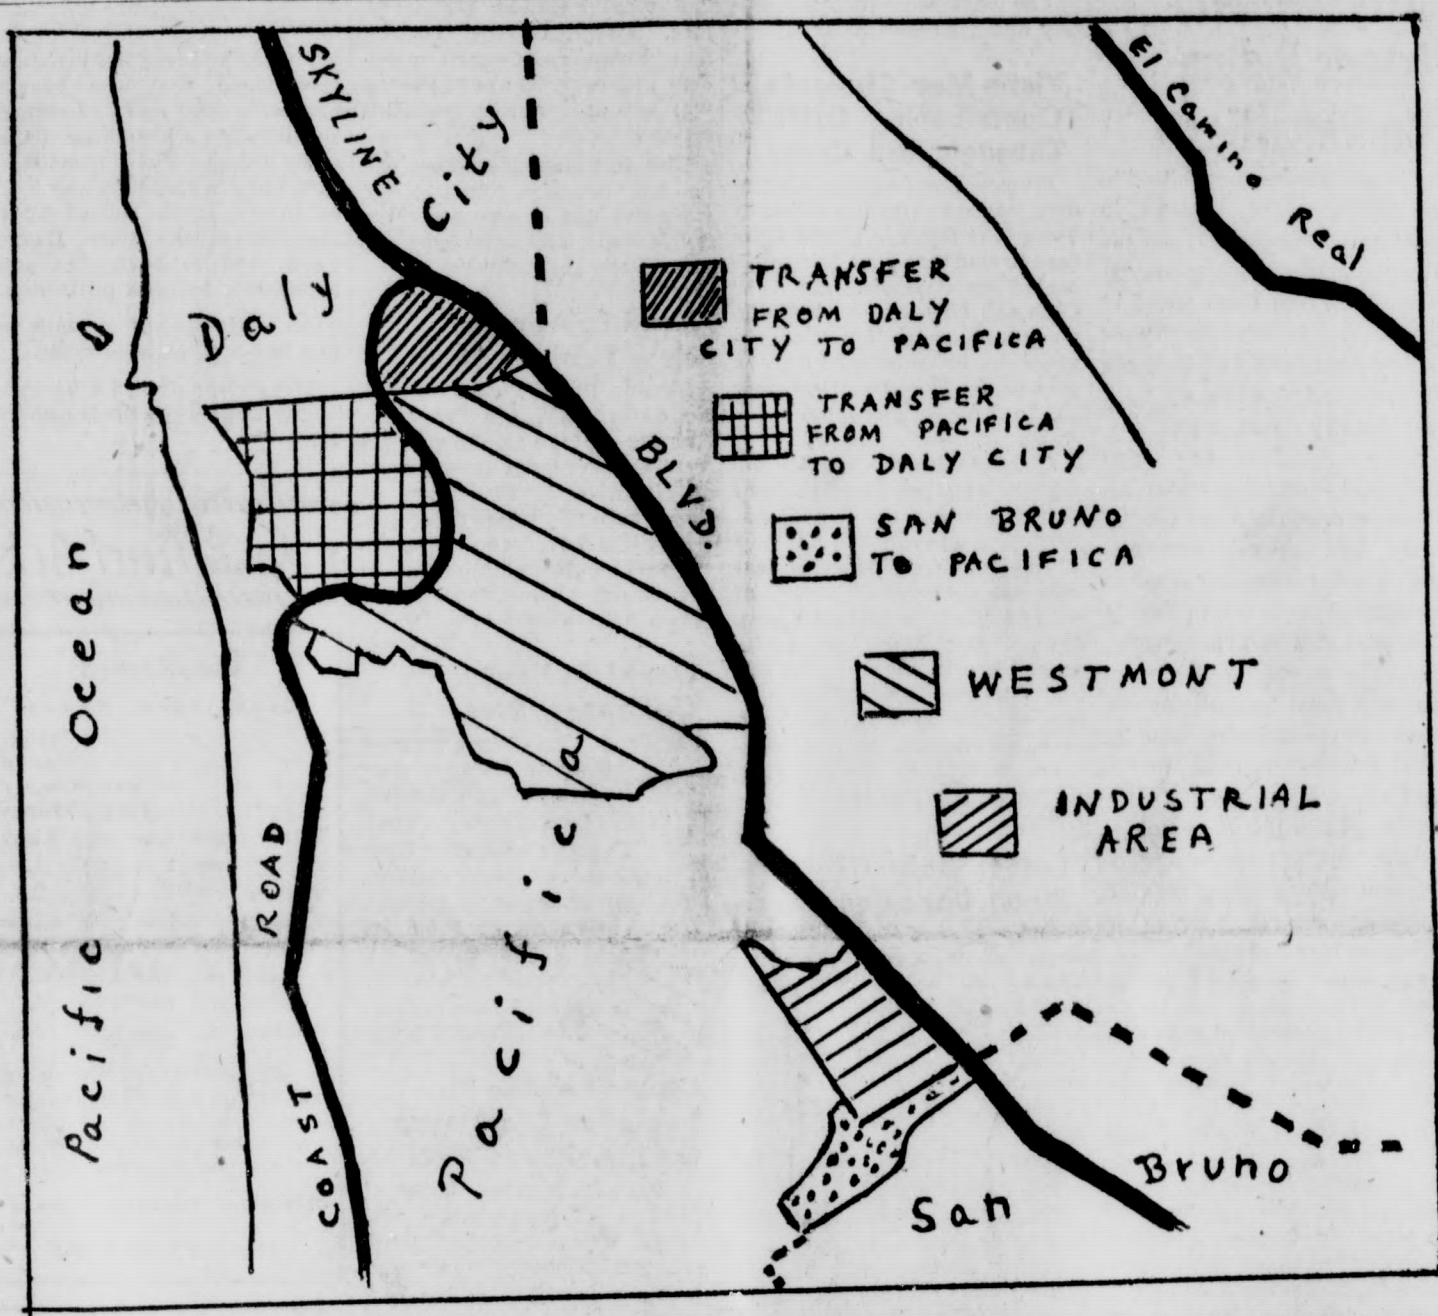

fatigue, is now in the Veteran's Hospital in Palo Alto. Dunn entered the hospital in July, returning home after a two-month stay. But in October he went back and has been there since.

Among the actual donors, were these members of the Jefferson School District:

Richard Foster, district superintendent; Donald Pagani, principal of General Pershing School; Pete Ahearn, assistant business administrator for the district; Helen Delafield, health coordinator; Mrs. Pat Mattson, teacher at Olympia Elementary School; Mrs. Frances Waite, secretary at Vista Grande School; Mrs. Alexander Scott, teacher at Woodrow Wilson, and her mother, Dr. Foster; and William Staudacher, in lieu of his wife, young Fred's teacher, who was not qualified to donate.

Four donations came from the Catholic Men's Club. The remaining pledgers stood by in the event they were needed. Among these were Paul Hopkins, Lyle Church, Pat Cunneen, Barry Griffin and Jack Winters, all of the Daly City Fire Dept.

SLOGAN CONTEST HONOR WON BY W'LAKE WOMAN

MAP depicts three-city swap of property, proposed by Doelger Corporation, and under study by the Daly City Council. Daly City would annex approximately 100 acres of Doelger-owned land (now in Pacifica) which

the builder would use for 600 more homes. In exchange for yielding the 100 acres north of Edgemar freeway, Pacifica would get some 32 Doelger-owned acres in Daly City's limit, its southeast of Edgemar free-

way and abutting Skyline, plus 40 Doelger-owned acres north of Sharp Park road, from San Bruno. In the 100-acre parcel, Doelger has made provisions with Jefferson Elementary District for a 20-acre school site.

The additional \$45,000 in taxes produced by the 600 new Doelger homes south of Westlake Terrace (Unit 11) is being weighed against the cost of services for the proposed subdivision.

Westlake Man Suicide Victim

Westlake resident Richard J. Clark, 32, died early Wednesday morning in Community Hospital, a victim of suicide by carbon monoxide poisoning.

Clark's wife Jeanne, 29, found the victim at 6 p.m. Tuesday evening lying on a mattress on the floor of the couple's station wagon. A 25-foot garden hose extending from the exhaust had been inserted through a vent window of the car.

Daly City Police officer James Sunderland applied artificial respiration before the Fire Department resuscitator squad arrived at the 253 Wilshire avenue residence with oxygen, but the victim died seven hours later at the hospital.

Clark had been out of work for two weeks due to a foot injury, according to his wife, and reportedly had been depressed over recent business failures.

PLANT IMPROVEMENTS

Sewer District Additions To Cost \$203,367

The contract to install the North County Sanitation Department's new grit remover and digester has been awarded to Vannucci Bros. Construction Company and Dale Williams Construction Company, a joint venture.

Their winning low bid was \$203,367 from which \$1600 will be deducted since the district intends to finance the painting operation.

Work will begin ten days after execution of the contract, a date not yet determined and construction will take approximately eight months.

CITY REQUESTS WESTLAKE TERRACE TRAFFIC CHANGE

Daly City councilmen endorsed a joint resolution with city of Pacifica last week to ease the traffic dangers at the Westlake Terrace exit to Edgemar freeway.

The resolution asks the State Division of Highways to place signs permitting only a right turn south out of Westlake Terrace onto Edgemar freeway. Drivers currently cross the congested freeway at this spot against traffic going in both directions.

State follow-through on the cities' request would mean that drivers coming north on the freeway will not be allowed to turn left into Westlake Terrace, and those leaving Westlake Terrace will either have to go north on Skyline drive or leave Westlake Terrace and go south toward Pacifica.

Eventual highway division plans call for a tunnel under Edgemar freeway connecting Westlake Terrace to Skyline boulevard.

D.C. Police Nab Hospital Escapee

A burglary suspect who escaped from San Mateo Community Hospital last week was picked up by Daly City police Friday afternoon.

Police officers apprehended Richard Lyons, 24, a bartender, at 2 p.m. in front of the Crocker Cleaners. An attendant at the cleaning establishment had been advised by police to contact them as soon as Lyons returned for his clothing. When they received the call, officers rushed to the scene and found Lyons sitting in a taxi cab.

Lyons had been under treatment for a liver ailment when he escaped. It was his search to find him that led police to a local address and resulted in their accidental exposure of a narcotics party. Three men were arrested in the raid.

FRANKFORT ST. IMPROVEMENTS BIDS DEC. 27

Second-time bids for improvements to Frankfort street, between Acton and Oliver, will be opened at the Tuesday, December 27, 8 p.m. meeting of the Daly City council.

Bids submitted last month for this assessment district project all exceeded engineer Ted Tronoff's estimate, and modifications necessary in the plans prompted the council to call for new bids.

The bidders last time were: Bragado Paving, \$29,703; Lowrie Paving Company, \$30,010, and McGuire and Hester, \$30,400.

Owners of the 47 lots fronting Frankfort will be assessed for the improvements—grading, paving, curbing, sidewalks, et cetera. The city is included since Frankfort Park fronts one end of the street.

The one-block project will make Frankfort into a two-level street separated by an ice-plant center strip.

The undeveloped 33-foot frontage lots eventually will be the site of approximately 40 new homes.

ED TOMASELLO CITY'S NEW SUPERVISOR OF RECREATION

A 5-10, 230-pounder who was the third best amateur heavyweight wrestler in the nation two years ago began his new duties as Daly City recreation supervisor last week.

He's Edward John Tomaseello, 33, who left a similar job at Parkmerced to accept the \$560 a month Daly City post.

Tomaseello, who holds a B.A. degree from San Francisco State College, takes over a job held by Rich Watson, an SF State physical education major

who has worked for the Daly City department since his graduation from Jefferson High.

Watson has assumed Tomaseello's former position as Parkmerced's recreation chief. Tomaseello will continue to supervise Daly City's 700-member Hi-Fi Teenagers Club.

Tomaseello attended Chase School and Lowell High in San Francisco, and played varsity football and wrestled at City College and SF State. He was a member of the Olympic

Club's wrestling squad and has instructed in the sport at the San Francisco YMCA.

A veteran of Coast Guard service, serving as an athletic instructor, Tomaseello and his wife have two daughters and a son. They reside at 2435 21st avenue, San Francisco.

The new recreation supervisor has worked in recreation the last eight years in San Francisco. His biggest job was at Parkmerced, the model community of 10,000 residents.

Twenty-five applicants took the written exam for the Daly City opening, nine of these advancing to the oral test, given by one recreation official from San Francisco and another from San Jose. Tomaseello was the highest scoring candidate.

Asst. City Manager Phil Brown said one applicant came from Kansas City and another from as far south as Riverside, California.

Recreation Commission Unanimous For Anti-Loitering Park Ordinance

Daly City parks-recreation commissioners were unanimous last week in voting to ask city council adoption of an ordinance to prohibit "loitering after dark" at all city parks and playgrounds.

Commissioner and former councilman Edmund Cavanaugh proposed the ordinance two months ago. He claims it will help curb vandalism and molestations.

The council will receive the commission's proposal at the former's December 12 regular meeting.

Recreation Director Chuck Vincent informed the board that he had met with representatives of Crocker-Pershing PTA who are petitioning for a clubhouse at Lincoln park.

Vincent explained to the citizens that nothing has been set aside in fiscal budgets the past few years for a clubhouse at the facility. The PTA group claims

the city had promised a clubhouse there but hadn't followed through.

Vincent said there is a possibility clubhouse funds can be allocated next fiscal year.

Parks Superintendent August Conci reported that fencing is being installed between the first and second levels at Edgewood park—subject of a recent citizens' petition drive. The eroded bank also is being landscaped.

More palm trees will be planted on Mission's center strip in mid-January to complete a \$2500 beautification project, Conci revealed.

He also reminded that the city has earmarked \$20,000 in its present budget for initial site work at Westmoor Park below the high school. Residents of the area have protested the dirt blowing off the park onto their property and the accumulation of debris on the park site. Conci's crew have attempted to keep the site clean pending its development as a major facility for adults and youngsters.

HOUSEWIFE TRIES SUICIDE, FAILS

A 29-year-old woman is resting at Community Hospital after attempting to commit suicide by slashing her wrists Monday night.

She is Judy Chiarpotti, 80 Forest Grove drive, Daly City. Daly City police responded after her husband Adolph, 39, called to report the incident. They found Mrs. Chiarpotti in her nightgown, conscious, but displaying cuts on her wrists. A razor blade was found in the blood-spattered bathroom.

The victim was driven by ambulance to Junipero Serra Hospital, then transferred to Community Hospital.

Burglar Enters Gas Station, Takes Gun, Cigarettes

A 32-caliber revolver and two cartons of cigarettes were taken from the Wilshire Service Station, 2000 Junipero Serra avenue, early Tuesday morning.

By the time Daly City police reached the scene at 2:40 a.m., after receiving word of an attempted burglary, the suspects had fled. Officers found the door pried open, contents of a desk and cabinet thrown about and the dial knocked out of a safe. Another safe—containing receipts—had not been tampered with.

WSIA Election

(Continued from Page 1)
democratic . . . "the average resident can't get elected unless he is favored by the incumbent board . . ." was answered thusly by Schoolcraft.

"Our WSIA meetings are held the first Monday of each month at the same time. I'm sure that if people who are interested in serving the residents of Westlake will attend our meetings regularly, they will deserve association support and backing if they want to volunteer for board duty."

Unsuccessful candidates recommended by the Association's nominations committee were William Cardiel, Donald Lueder, Reno Piccinini and Eldredge. Lueder got 3 votes, and Cardiel and Piccinini two apiece.

Directors who were not candidates for re-election to the non-salary posts were Andrew Baffico, William Fleckles and Virgil P. Anderson. Baffico is moving to Redwood City. Fleckles is moving to Marin County, and Anderson's job as a legislative lobbyist will require most of his time in Sacramento next year.

Atty. General Issues Ruling On Penalties

Certain offenses committed in the operation of vehicles in California are exempt from the 5 per cent penalty assessment under the Penal Code levied to provide funds for the Peace Officer Standards and Training Program, ruled Attorney General Stanley Mosk today.

Section 13521 of the Penal Code make mandatory an assessment equal to 5 per cent of every fine, penalty and forfeiture collected on all criminal cases other than certain Vehicle Code and Fish and Game violations. The section also exempts the additional penalty where there are violations of "any local ordinance" relating to vehicle operation.

"The act exempted violations 'of the Vehicle Code or any local ordinance relating to the stopping, standing, parking or operation of a vehicle.'"

"All other violations of the Vehicle Code, such as section 40508, violation of promises to appear, are subject to the penalty assessment," states the opinion.

Request for the ruling was made by Assemblyman Jack Schrade of El Cajon, San Diego County, and the opinion was prepared by Deputy Attorney General Raymond M. Mombiose of Sacramento.

Jeff High Graduate John Featherstone With Airborne Unit

Army Pvt. John E. Featherstone, 24 East Molke street, Daly City, was assigned to the 101st Airborne Division at Fort Campbell, Kentucky, last month.

Featherstone, a supply clerk in Company B of the division's 801st Maintenance Battalion, entered the Army last June and completed basic training at Fort Ord.

The 20-year-old soldier is a 1960 graduate of Jefferson High School.

Daly City School Officials Attending Long Beach Confab

Superintendents Richard Foster and Edward Morgan and five local trustees are in Long Beach this week for the annual convention of the California School Boards Association and the Association of Superintendents.

Chairman Frank Verducci, Mrs. Katherine Mullen and Thomas Noonan will represent Jefferson Elementary School District. High school board chairman Lyle Ingersoll and trustee James Cooper of Pacifica will accompany Morgan.

The conference began Tuesday and concludes Saturday.

Vista Mar Students Contributing Gifts Through Red Cross

Preparation for the Christmas season is in full swing at Vista Mar School. Living trees for the courtyard are being decorated by students. The Glee Club and classes are practicing Christmas songs for the program to be presented to the parents on Tuesday, December 13, in the school's multi-use room.

Coupled with this activity the school is filling International Gift Boxes for the Red Cross. Recently, through the initiative of the Red Cross Teacher Sponsor, Miss Mary O'Rourke of Vista Mar, a representative from Junior Red Cross spoke to children in the 3rd, 4th, 5th, and 6th grades regarding this project. The idea was met with such enthusiasm by the children, that they decided they wished to participate in the activity.

The initiatory exercises will be led by Mrs. Jack Krug, executive board member, Mrs. Sol Merritt, Mrs. Abe Ight and Mrs. Norman Steinberg.

Knights Appoint New Publicity Head

Father Peter Yorke Council No. 4119, South San Francisco, Knights of Columbus, announces the recent appointment of Herbert M. Blackmore as their publicity chairman. Mr. Blackmore, who succeeds Michael A. Broughall, lives at 571 Grand avenue, apt. no. 4, South San Francisco.

Heart Patient Collapses, Dies

A Daly City heart patient died suddenly at his home last week. He was Joseph Tiudell, 73, of 49 West Cavour street.

Mr. Tiudell was found lying on the floor Wednesday evening, November 30, by his wife Marie. Efforts to revive him, on the part of Daly City firemen, failed.

Mr. Tiudell had been suffering for some time from a heart condition.

Council Votes To Demolish Old House On Los Olivos Ave.

A time-worn vacant house at 162 Los Olivos avenue was ordered demolished last week in a resolution for abatement approved by the Daly City council.

The city attorney recommended the action because the creaking structure flunked recent inspections by the fire, health and public works departments and is considered a hazard. Each department recommended demolition.

PELICAN
The pelican derives its name from Greek, according to the National Automobile Club. It has a huge beak, shaped like a great Greek pelekus or ax.

Christmas Program Child Struck, Car Drives Off

James Eli Emplit, 8, of 243 Miriam street, Daly City, was injured slightly when struck by a car at the Parkview avenue-Miriam street intersection last Wednesday afternoon.

According to a witness, the driver stopped after hitting the boy, and asked him if he were hurt. The boy said "no," although he appeared to be bleeding at the time, and the motorist drove off without offering assistance.

Young James was driven by his mother to Junipero Serra and treated for abrasions about the face.

Police are in search of the hit-and-run driver.

Burglar Returns, Takes 20 TV Sets

A Daly City television dealer became a burglary victim last week for the second time in less than a month.

Robert Devine, salesman for Wasco Appliance & Television, 2159 Junipero Serra boulevard, arrived at work Thursday morning to find some 20 television sets had been stolen. One 19-inch set lay of the floor, smashed.

Police, in investigating, have ascertained that the burglar climbed a shed roof and entered the building through an upper story window. There is evidence that the merchandise was loaded into a truck backed up to the rear of the store. Drapes were used to cover the sets, apparently as rain protection.

An estimate of damage or loss has not yet been made. The store suffered a burglary of the same type on November 11.

'Salute To Schools' Outlines Objectives And Need For Support

Chairman Frank Verducci of Jefferson Elementary District's board of trustees today forwarded for publication this "Salute To Our Schools" which appeared in the November issue of the National Parent-Teacher Magazine.

"We give our schools awesome assignments. From the most diverse materials — malfeasance, refractory, explosive — we expect them to fashion uniform superior products. We ask them to tame the rebellious, embolden the timid, spur the laggard, sharpen the dull, burnish the bright. We ask them to make every child good, healthy, competent, happy and useful.

"We ask our schools to be the nation's first line of defense, the cradle of democracy, the forge of national unity, the

generator of economic productivity, the seedbed of talent, and every child's highway to self-realization and the good life.

"What we ask of our schools, however audacious our demands, they try valiantly to do. Understaffed, underfinanced, overburdened, they have nonetheless written a record of impressive achievements.

"Our schools are the nation's pride and the nation's scapegoat. In the past decade, they have been praised extravagantly, criticized mercilessly, blamed unreasonably.

"If we would strengthen our schools for the 60's, let us reassess their assignments, set reasonable expectations, and provide the resources they need. Let us praise our schools justly, and soberly praise our own efforts to support them."

TEN-YEAR Daly City-Colma Lions Club member Roy O. Arneson, past president and former deputy district governor, is leaving the local group due to relocation of his business to Redwood City. The service station owner, 51, has moved his family to San Carlos, close to his new station in Redwood City at the corner of Jefferson and Middlefield

road. Arneson, a native of Minnesota where he and his wife, Ahnie, were married, came to Daly City 13 years ago from Santa Ana, California. He switched his service station operations to Pacifica in 1957. The Arnesons have three sons, 23, 22 and 15. Fellow Lions last week saluted the club veteran in his farewell appearance.

St. Clair Says He's Interested In State Youth Agency Post

Daly City Councilman Bob St. Clair late last week in a letter to Governor Pat Brown indicated he would be willing to accept the \$16,500 per year job as a director of the California Youth Authority—a post that will be vacant next March and which Brown has suggested for the captain of the 49ers.

St. Clair, 29, is assistant mayor of Daly City and is scheduled for appointment to mayor next spring. He was elected to the Daly City council in 1957 and his four-year term would expire in 1962.

St. Clair today said acceptance of the state post "would mean an end to my career in professional football."

The 6-9, 275 pound athlete, highest paid lineman in the National Football League, attended USC and received a degree in business administration at University of Tulsa. He is in his eighth season with the San Francisco pros, who currently are in the running for the championship. The 49ers have two games to go. Wins over Green Bay and Baltimore would give the SF pros a title match

with the Eastern Division champion, the Philadelphia Eagles.

Brown announced November 30 in Sacramento that St. Clair is a candidate for the Youth Authority job and the governor's "likely" choice.

The governor said the term of Youth Authority official Douglas Barrett, son of a Truckee newspaper publisher, expires March 13, 1961, and "I have considered Bob (St. Clair) for the post."

"St. Clair is a good friend of mine and a campaign supporter," declared the governor. "I always have thought he's a fine man."

St. Clair's replacement on the Daly City council would be decided by vote of the four other councilmen.

SEA SCOUTS' TREE SALES 'GOING GOOD'

"The Daly City Sea Scouts' Christmas tree sale at Westlake Shopping Center has been so successful that a sellout is expected within ten days."

This is the prediction of Robert Gunthorpe, Skipper of the local Sea Scout group. Gunthorpe reports that the freshly-cut trees are 'going fast' and that a new supply may have to be re-ordered from cold storage.

The evergreens are on sale at Park Plaza and Southgate, avenue, near Westlake Bowl. The boys have literally set up house there, camping overnight in tents. Their stock includes silver-tips from Lake Tahoe, pinions from Northern California, and Douglas firs from Montana.

Proceeds will go into the Scout treasury, which covers the purchase of boating equipment, special trips, etc.

The Daly City Sea Scouts are sponsored by the Westlake Subdivisions Improvement Association and are the only small sailboat unit in the San Francisco Scout Council. They spend much of their time on Lake Merced, manning five sailboats and one pulling boat. A recent influx of new members has raised their number from 15 to 26 over the last month.

Gunthorpe, in the Group Dept. of Banker's Life Co., San Francisco, has been with the Scouts for four years. He is a Daly City resident, married and the father of two girls.

The tree sale will continue through December 24.

Main Library Site Of Gala Holiday Party

Among the many treats planned for Daly City children during the Christmas season is a Christmas party to be held at the new library on Southgate avenue, Tuesday, December 20, between 3 and 4 p.m. The party is for the elementary grades, sixth and under, and the entertainment and refreshments will be of interest to this level.

Sam Chandler, city librarian, announced that through the courtesy of Standard Oil Company, he has been able to obtain two interesting short films, one entitled "San Francisco, Queen of the West," and the other, a cartoon, "Destination Earth." The latter is the story of an explorer from Mars who comes to Earth in search of Earth's secrets of her progress. "San Francisco" features Emperor Norton, long-gone San Francisco character, who is pictured as coming back to today's San Francisco and commenting on the changes which have occurred.

Through president Mrs. Thomas E. Brewer, Chandler has extended to the Friends of the Library an invitation to participate in this holiday treat. This will be discussed further at the next board meeting, but in the meantime Mrs. Brewer has requested that anyone interested in participating should phone her at PLaza 5-2847.

Adult School Will Recess For Holidays

The Jefferson Adult Evening School announced this week that classes will close on December 16 because of the holidays and will resume again on January 3. The Fall semester will end on January 27.

Louis J. Martin, principal, also announced that if adults are planning to take classes next semester for credit leading to a high school diploma they should call PL 5-1162 for details.

Martin is available for individual counseling at Jefferson and Westmoor high schools from 7 to 9 p.m. Monday through Thursday evenings.

One hundred and fifty units are required for a high school diploma. They are: 30 units of English, 10 units of U. S. History, 10 units of Science, 10 units of Mathematics, 5 units of Civics, 2 1/2 units of driver education, 2 1/2 units of First Aid and 80 units in electives.

Credit may be given for work or business experience.

Hi-Fi Teenagers State 'Rudolph's Romp' For Dec. 17

Daly City Department of Recreation's Hi-Fi Teen Club will hold "Rudolph's Romp," a nut formal dance on Saturday evening, December 17, at War Memorial Community Center.

Each member must wear at least one article of clothing from formal dress. In addition, everyone must bring a 25-cent comical gift.

Admission is 43 cents and the doors will open at 7:53 p.m. The dance will end at 11:31 p.m.

FOUR contributors to the 'Toys For Tots' drive are seen in the Daly City Central Fire Station 'toy workshop.' Left to right, Lt. Col. Howard Mabie, USMC, Peter J. Markovich, insurance advisor, and hose men Jim Dresser and John Martin. The fire station serves as the central depository for all toy contributions.

Letters To The Editor

'Cement Fence' Delay Deployed By Westlaker

Dear Editor:

About one year ago, the city of Daly City filed a law suit in the Superior Court of Redwood City. The defendants in the suit are S. & E. Bartz of 1 Westdale avenue, Daly City. The suit concerns the 8 1/2 foot cement fence familiar to many residents of Westlake. As yet nothing has been heard concerning the progress of the suit.

What has been the cause of this delay? Is it not true that the courts give priority to this type of a suit? The writer is quite familiar with the problems that arise as a result of delay. He has seen a unanimous decision of the City Planning Commission de jure by his neighbor a permit to build a fence in excess of 6 feet, be finally overridden by action of the City Council. Many old-time residents of Daly City fail to recall an occasion when the City Council chose to override a unanimous decision of the Planning Commission.

The writer realizes that the last several months have been quite hectic for many of our representatives in city government. There have been problems concerning sewer districts, the annexation of land to the south, and no doubt, others of equal importance. Yet the city did institute the suit. Is it to go by default? If so, we will never know the legal effect of the "stop order" issued by the City Attorney one morning during the course of construction, to be specific, while the heights of the fence was being increased from 6 to 8 1/4 feet. Furthermore, I have been informed by the attorney for the Westlake Improvement Association that they cannot follow through with their suit until the city of Daly City acts.

Respectfully yours,
Julio J. Profumo

D.C. Players' "Hay Fever" This Weekend

Final rehearsals for the Daly City Players' production of "Hay Fever" are being held this week. Performances will be held this Friday and Saturday nights at 8 p.m.

The amateur group introduced themselves to the community last spring with their rendition of "The Tender Trap." Tickets will be on sale at the door of War Memorial Building until certain time, or may be obtained by phoning Pat Mayer, PL 6-7122, or Randy Marcus, PL 6-5097.

4 Westmoor Students Lead Scholar Roll With Straight A's

Westmoor High's scholars received recognition for their good grades this quarter when the year's first honor roll was published.

Highest prestige was attained by Seniors Carole Miller and Penelope Tweedie, and Juniors Lucinda McSweeney and David Parker—all straight "A" students.

Other Honor Roll members, numbering 229, maintained a "B" average during the first quarter. This group includes 67 seniors, 48 juniors, 53 sophomores, and 65 freshmen.

Teachers Plan 7725-Mile Trek: Alaska To Panama--By Scooter

Six Benjamin Franklin Intermediate School teachers, armed with cameras and a lust for adventure, will beat a 7725-mile path through the wilds of North and Central America next summer.

The trek, which will begin in Fairbanks, Alaska, and end in the steaming jungles of Panama, is in effect the major project of Benjamin Franklin's Pan-American Expedition Study Group. The half-dozen members plan, however, after returning home, to extend their activities to slide lectures and preparing their travel notes for publication.

An itinerary includes routing over "impassable roads" through true wilderness country and stop-offs at lonely mining towns, Indian villages and hot springs.

The members of the expedition plan an intensive study of schools along the way. This will involve exchanging ideas with both students and instructors, sampling (and accepting) local diets and customs, and investigating the creative arts of various communities. Student-prepared brochures on the American school system—as exemplified by Benjamin Franklin High School—will be distributed.

The sum needed for the trip, according to estimates, is \$10,000. The expedition group is currently in search of a sponsor. Robert L. Dougherty, 30, who teaches English, social studies and science at Franklin, expresses confidence that support will come from a number of sources. The PG&E has applied to the State Department and the California Department of Education, and has received from the Federal Department of Health, Education and Welfare the names of some foundations which may be in a position to sponsor the trip. A leading monthly magazine has expressed interest in photographs for possible publication later.

The group will travel by motor-scooter. This will allow routing over rough, landslide-prone back roads, inaccessible by car, and permit frequent stopovers. However, the travelers may be exposed to dust—a problem on the Canadian stretch of road leading into Dawson Creek—and inclement weather. Along the southern segment of the "long trail," there will be steep mountain grades, jungle obstacles and several rivers to ford.

The PAISG describes as one of their objectives, the promotion of "educational good will and understanding between our respective countries."

The six members of the party include: Carl E. Hunter, 42; Paris B. Simmons, 40; Frank Ramirez, 32; Robert L. Dougherty, 30; Raymond Sammons, 29; and Eldon E. Rowe, 26. All six received part of their education at San Francisco State College. A number of other institutions in the Bay Area and Northern California are represented in their respective backgrounds.

The trip is scheduled to begin June 22, 1961, and end August 25.

4 Daly City Youths At Saint Mary's

Four local youths are enrolled as freshmen at Saint Mary's College, according to Brother U. Cassian, F.S.C., dean.

They are Michael Giuffre, Paul Lindberg, John Mahoney, and Andrew Uccelli.

Giuffre is the son of Mrs. Kathryn Giuffre and the late Mr. Giuffre of 8 Fairway drive; Lindberg is the son of Mr. and Mrs. Paul Lindberg of 31 Castlemont avenue; Mahoney is the son of Mr. and Mrs. John Mahoney of 255 Bellevue; and Uccelli is the son of Mr. and Mrs. Andrew Uccelli of 232 Station avenue.

Giuffre and Lindberg graduated from St. Ignace High School of San Francisco; Mahoney from Riordan High School of San Francisco; and Uccelli from Serra High School of San Mateo.

WESTLAKE H. Rinnert accepts a \$250 performance award from Capt. E. B. Roth, commanding officer and director of the U. S. Naval Radiological Defense Laboratory.

\$250 Award To Navy Civilian Here

A Daly City resident, Heinz R. Rinnert, 161 Crestwood drive, recently earned a \$250 Sustained Superior Performance award at the U. S. Naval Radiological Defense Laboratory in San Francisco.

A mechanical engineer there since 1950, Rinnert was especially cited for his work in connection with a specific project report based on information gained at a nuclear weapons test in the Pacific, he awarded in 1950.

High School Supt. Urges Parents To Keep Children 'Out Of Danger'

(Editor's Note: Following is an open letter to all parents written by Edward Morgan, superintendent of Jefferson High School District.)

When word was received on the evening of November 3rd, of the untimely death of John Patrick Foley, age 6 years, son of Mr. and Mrs. Thomas Foley of 333 Carmel avenue, Pacifica, the entire high school district was plunged into deep mourning.

It is impossible to eradicate Patrick's death; however, all of us can—and indeed, we MUST—expend every possible effort to prevent a future tragedy!

For many years the city of Pacifica will witness major construction projects—schools, shopping centers, industrial plants, homes, etc. Every building contractor is haunted by the fear that some unauthorized person will be injured.

A construction project fascinates young and old alike, but particularly, youngsters. All adults can recall when they were children, playing in and about buildings that were under

construction. As children we looked forward to being able to climb and play in these structures. The danger of such activities never entered our minds.

The purpose of this letter is to re-emphasize to parents the ABSOLUTE NECESSITY of instructing their children NOT to use these areas of construction as playgrounds. During the remaining part of this year and for most of the year of 1961, your high school district will be constructing Oceana and Terra Nova High Schools. The magnitude of these plants will intrigue all, but PLEASE impress upon your children that under no circumstances are they to enter or play in or around these buildings and grounds!

When the schools are completed we will welcome you and your children. For in addition to being an educational institution, both of these schools have been planned to serve the city of Pacifica as recreational centers.

Your cooperation and understanding could save the life of a loved one!

AROUND TOWN

By ROY HURLBERT

HEART attack victim Mel Battye, Mission street insurance man and former Daly City councilman ('46 to '50), welcomed the postponement of Daly City's 50th birthday celebration to next October.

Mel has been out of circulation the past seven weeks. Just a few days ago he was able to take a walk around the block from his Acton street home.

Battye, past president of the Daly-City-Colma Eagles and active in the insurance agents association, is co-chairman (with Arthur Bodien) of the 1961 municipal anniversary event.

A 35-year resident of Daly City, Mel should be ready to return to his personnel board and celebration committee chores by next spring.

Mel's doc, fellow Lion Lewis Richards, wants him to take it easy from here on out, however.

This will be no small accomplishment, knowing Mel's enthusiasm for civic affairs.

DALY CITY's golden anniversary date is March 11, 1961.

Reason the celebration will be six months later is that additional time is needed to enlist money and coordinate planning.

COMPROMISE isn't such a bad word, after all.

Several members of the DC Golden Anniversary Committee were disturbed when it was decided to hold the week-long celebration in October instead of May.

At Monday's committee meeting, the group decided to hold the annual Youth Art Exhibit, Flower Show, and Chamber of Commerce golf tourney in May, and then have similar festivities during the big climax week in October.

Actually, all major civic events here in 1961 can be identified with Daly City's fiftieth birthday party. The more events, the more publicity for the community.

ARTHUR BODIEN, the old-timer who remembers "back when" suggests that Daly City's Mission street be renamed "The Avenue of Palms" for next year's 50th municipal birthday.

TALKS were conducted two years ago between city officials and Jefferson Elementary School District for sharing the cost of an overpass and Westlake Park Improvements as part of the Fernando Rivera School joint-use agreement.

The city council—at long last—on the verge of giving its OK for a commitment of funds toward the project.

The school board has been eager to expedite the overpass for many months. Certainly the overpass will be a welcome safety factor for the school youngsters and the users of Westlake Park.

THE WESTLAKE Improvement Association says it may have to take legal action against homeowner James T. Terry of 1055 87th street who recently "axed down" the palm tree on his front lawn.

WSIA attorney Hartley Appleton told directors Monday night that elimination of the tree was "in direct violation of the covenants and restrictions in the Association's by-laws."

Appleton gave the tree chopper 15 days notice to replace the tree or else the Association will plant a new one and bill the homeowner—something like \$150 for the sizeable palm, plus all attorney fees if litigation is necessary.

The odd thing is that the man who uprooted the tree from his property called the Association and told them of his act.

PRIDE of the Peninsula is Capuchino High School's 117-member marching band which has been selected to represent the state of California in the January 20 inauguration parade for President-elect John F. Kennedy.

The Capuchino kids, who received the high honor after taking first place in the Western States Band Festival at Long Beach, need \$40,000 for transportation and accommodations expenses.

Only \$1200 has been donated thus far and more contributions are needed. If you'd care to help this historic trip and an outstanding group of young people, call Capuchino High School now. The numbers are JU 8-6300 and OX 7-4900.

ALTHOUGH he is a member of the California Citizens Advisory Committee on Education, City Manager Edward Frank of Daly City has had some differences of opinion with local school officials, particularly on the merits of adult school education.

Frank believes too much money is spent for night school and that youngsters are getting too many "fringe benefit" courses. He's a former teacher himself, so you might say the experience taught him a lesson.

The 27-member Advisory Committee includes four housewives, six business executives, three lawyers, three college professors, three elementary teachers, a municipal judge, farmer, school superintendent, dentist, school trustee, a newspaper publisher, and Dr. Robert Gordon Sproul, president emeritus of University of California.

Frank is the only city administrator on the committee.

CITY ATTORNEY Paul Hupf and City Engineer Bill Chapman spent several hours in San Jose on Tuesday last week at a hearing in which the city is attempting to save \$3280 which Western Well Drilling Company claims it is entitled to for testing a well here after the firm developed the well for a \$15,000 fee.

A referee heard testimony by both sides and his ruling is due by the first of the year. The city claims the testing was part of the \$15,000 contract.

Present for the hearing last week was Otis Calhoun, DC public works chief, a year ago when the controversy arose. Calhoun now is assistant director of Public Works for Santa Clara County.

DOROTHY DUNCAN, the lady who types those voluminous high school board agendas, will fly to Hawaii for her Christmas vacation.

By airplane, of course.

Dorothy's previous vacation trips have taken her to Mexico City, Acapulco by the beautiful sea, and Palm Springs, the poor man's Miami.

Somehow, we just can't picture Santa Claus in Honolulu.

DECEMBER is the "final stretch" month in Daly City Rotary Club's attendance drive.

In October, according to the DC bulletin, Daly City's Rotarians ranked 47 out of 50 local clubs in attendance for regular meetings.

In short, this isn't good.

But the Bulletin promises, "If we keep trying, we will soon be vying with San Francisco Rotary, which, for years, has maintained the lowest attendance record of any club in California... and perhaps the United States."

To arms, men, to arms!

3 Peninsula Theatres Will Show Free Cancer Film To Women

There's a special movie date for every woman in San Mateo county.

It can be a date with life.

Every woman in the county is urgently invited to view the alerting American Cancer Society film, "Time and Two Women," being shown in this area through the cooperation of three local theatres.

The movie which runs only a half hour can be viewed free of charge during the morning shopping hours. On Monday, December 13, at 10 a.m., and in San Bruno at the El Camino theatre on Wednesday, December 14, at 10 a.m.

A doctor will be present for a question and answer period. No funds will be solicited, stresses Mrs. Edward H. Jenanyan, American Cancer Society president for this county. "This is our way of doing our job for the residents of our county who so generously help us and support our fund drives year after year," she said. Special appreciation was also expressed by county ACS leaders to the managers of the participating theatres for making the free showing possible.

Produced by the American Cancer Society after extensive research, the factual film tells

the story of cancer of the uterus, the second greatest killer of women. Dr. Joe V. Meigs, nationally famed gynecologist in Boston, relates through very explicit drawings exactly what the affected organs are and where cancer may occur within them.

The film unfolds the story of two women—one who waited too late—one who checked and was reassured. Major emphasis is placed on the simple, painless method of making the "Pap" smear test, which allows laboratory specialists to examine cast off cells for any trace of cancer.

She said, "There is no need for any woman to die of uterine cancer. It is one of the easiest to cure if caught early enough, and the cell examination described in this film now makes diagnosis possible years before actual symptoms develop. We need everyone's help, husbands, fathers, children, friends, to make sure the women of their family view this interesting and life-saving film."

ELECTRIC MOTORS

Today's automobiles carry as many as 13 electric motors, according to the National Automobile Club.

"TIME AND TWO WOMEN," the widely praised American Cancer Society life-saving film designed to check the uterine cancer death rate in women, will be shown free of charge in San Mateo County December 12, 13 and 14. Here are county campaign Co-Chairmen Mrs. E. A. Sandberg and Mrs. Edward R. Schwab of San Bruno.

Be Careful The Way You Decorate Those Aluminum Christmas Trees!

With Christmas only a few weeks away, a warning on the hazards of decorating aluminum Christmas trees with electric lights was issued today by John F. Henning, Director of the State Department of Industrial Relations.

Henning stated that aluminum is almost as good a conductor of electricity as copper, and that if there is any defective or faulty wiring the entire tree could become an exposed "hot wire."

"The insulation on most Christmas tree light cords is not designed to be attached to metal of any kind," said Henning.

"Serious shock and even death could result from contact with the electrically-charged tree," Henning warned. "Even the ordinary 110 volt used in the home can be fatal, as it takes only one-tenth of an ampere, and sometimes less, to kill."

Henning also cautioned against the fire hazards of Christmas trees other than aluminum, and listed the following safety rules:

Place the tree as far away as possible from fireplaces, radiators and other sources of heat.

Don't place the tree where it could block exit from a room in case of fire or emergency.

Use approved electrical light sets only; that is those with the Underwriters' Laboratory tag attached.

Don't leave the tree lights on when leaving the house.

Inspect the light set for any frayed, damaged, or worn parts, and repair or discard them if defective.

Don't use indoor light sets for outdoor use.

Use rubber covered or thermo-plastic sheath extension cords for outdoor lighting.

Daly City Resident Wins MSTs Award

Miss Craney Ogata of 48 Fairlawn avenue, Daly City, has received an award from the Navy's Military Sea Transportation Service for suggestions leading to safer and more efficient operations of the MSTs administration offices.

The award was presented by Rear Admiral Eugene B. McKinney, USN, MSTs Pacific Area Commander at ceremonies at Fort Mason, MSTs headquarters.

YEARS OF SERVICE

Daly City Pioneer Mrs. Jennie Johnson Honored At O.L.P.H.

By Lorraine Rolland

Mrs. Angela Johnson, affectionately known to her many friends as "Jennie," was honored recently at a Mass celebrated by the Rev. James Bergin, pastor of the Our Lady of Perpetual Help Church.

Following the religious service, attended by more than 100 of Jennie's fellow parishioners and friends, a testimonial breakfast was held at Val's restaurant.

Mrs. Johnson, a pioneer Daly City resident, was born in Onio, Genoa, Italy, on December 27, 1879, one of five children of Louis and Maria Bacigalupi. When she was five, her family came to America, establishing a new life in the Marina district of San Francisco. At the time of the big earthquake and fire of 1906, her father, a painter and paper hanger, fearing for the safety of his family, and hearing of a possible tidal wave as one of the gruesome outcomes of that major disaster, hitched his horse and wagon and rode out to the then isolated area that was early Daly City. Thus this local pioneer family took up their residency here.

Today, 54 years later, there are still members of that original Bacigalupi family inhabiting the original location selected by Louis over one half a century ago. Besides Mrs. Johnson, who resides at 47 Wilson street, there are her two sisters, Louise Bacigalupi and Katie Core, and a brother, Joseph. They all live on Wilson street and are next-door neighbors.

JENNIE JOHNSON

In the year 1908, Jennie was married to John Johnson, and their three sons were Natale, now living in Glendale, California; Joseph, a resident of Belmont, California; and Mario, who died seven months ago. Mrs. Johnson has three grandchildren. Thomas aged 21, Nancy, 15, and Robert six months.

For thirty years, Jennie, has been an active church worker. She recalls participating in a fund-raising drive years ago to

build a Catholic church on the "top of the hill." Thanks to the zealous work of many Catholics like her, the cornerstone of "St. Maximus" was laid in 1925. The first pastor of the new church was Father Bertola. During the pastorate of the next pastor, Father Donahue, the name of the church was changed to the one it bears to this day, Our Lady of Perpetual Help.

Jennie has worked at multitudinous tasks throughout the years, a service in which she is still active under the pastorate of Father Bergin. Her special field of endeavor has centered around floral arrangements and general care of the church altar. She possesses outstanding artistic abilities.

While interviewing this humble, kind and softspoken lady, she mentioned that there were many many parishioners with whom she worked who were also among the group of "old timers" who witnessed the birth, growth and development of Our Lady of Perpetual Help Church, and to recall and name them individually would be most difficult.

Mrs. Johnson is a member of the newly organized Altar Society, and a charter member of Court St. Mary of the Catholic Daughters of America where she has for many years and is still the court's decorations chairman. She also belongs to the O.L.P.H. Mother's Club and sews weekly with a group of other tireless women in the club who jokingly refer to themselves as the "girls in the back room," a name derived from the locale of their sewing sessions—hall in the rear of the church.

Because Jennie Johnson for three decades has been responsible for the care of the altar, the O.L.P.H. Altar Society honored her, one of its most beloved and respected members at the Mass offered Saturday, December 3, followed by the testimonial breakfast. Father Matthew Sullivan, assistant pastor and spiritual director of the Altar Society, as principal speaker, paid tribute to her for her many years of devoted service. The guest of honor was presented with a rosary from the Altar Society as a token of their esteem and gratitude.

Gracia Krueger New President Of Bethel Moms

Mrs. Gracia Krueger was elected president of Bethel 198 Mothers' Club at the regular meeting December 2 in the home of President Stella Jensen.

Other officers elected to serve with Mrs. Krueger during 1961 are: Vice-President Hilda Dennis, Secretary Ruth Huelse, and Treasurer Ann Petri.

Installation of officers will be held at a dinner meeting in January, time and place to be announced later.

A lovely evening bag was presented to the retiring president, Mrs. Jensen, by Vice President Jerry Hallett, who expressed the appreciation of the membership for all the time and effort given by Mrs. Jensen.

The Christmas spirit was everywhere as the 22 ladies enjoyed the customary exchange of gifts during the social hour. Ladies who had previously made the Christmas decorations wore Christmas aprons and served delicious food. They included the Mesdames: Wau-nita Merkel, Margaret Payne, Fern Jacobsen, Charlotte Chapman, Muriel Keith and Bertha Harding.

A special surprise was evident when the group sang "Happy Birthday" to Mrs. Jensen whose birthday was on December 2.

Glee Club To Perform For Edison PTA

The December meeting of Daly City's Thomas Edison School PTA will be held this Wednesday night at 8 o'clock and will feature the fifth and sixth grade glee club.

Mrs. P. Hackett will direct the students in a Christmas choral serenade.

The fifth and sixth graders moved into their new classrooms two weeks ago.

At Edison's last executive board meeting plans were made for decorating a Christmas tree at the school and for room parties prior to the holiday vacation.

Insurance Student Completes Training

John W. Everett, manager of the Western Pacific Agency of San Francisco, has completed a four-week resident training course at the Mutual Insurance Institute in Chicago.

He received a comprehensive review of casualty, fire and marine insurance. The Western Pacific Agency represents Lumbermens Mutual Casualty Insurance Company, American Motorists Insurance Company, American Manufacturers Mutual Insurance Company, Federal Mutual Insurance Company and Fidelity Life Association, all sponsors of the institute.

Everett is a graduate of Von Steuben High school in Chicago and Illinois Institute of Technology. He is married and has a son and lives at 604 MacArthur drive, Colma. They formerly lived at Westlake.

Squirrels, according to the National Automobile Club, can locate buried nuts by scent through more than a foot of snow.

What has time done to your life insurance?

Everyone knows what can happen to the performance of a car that isn't serviced regularly. The same risk of "poor performance" holds true for your life insurance if you neglect to keep it up to date. Time brings changes in your life that in turn create the need for a review of your policies. Perhaps new beneficiaries should be appointed. Perhaps the method by which benefits are to be paid, either by income or by single amount, is no longer in your family's best interest. What would a careful review of your policies reveal? That you have more than enough life insurance—or that time has brought new needs for protection and saving?

By keeping in touch with the Man from Manufacturers you can be sure your life insurance is arranged to do the job you want it to do. Why not call him for a policy "check-up" today?

Additional Funds Needed In Muscular Dystrophy Campaign

Final phase of the county-wide Muscular Dystrophy campaign will be reached this week, according to county chairman Thomas L. Bocci.

Scores of volunteers are making a house-to-house canvass for funds for the national research organization which is dedicated to the fighting of this dread disease.

In renewing his plea to county residents, the former Municipal Judge noted, "The funds raised during this campaign will continue the first against a tragically and ultimately fatal crippling disease. I know the thousands of innocent children affected will be heartened by your efforts."

Bocci, noting that the county campaign is lagging slightly, added, "The money you contribute to the March For Muscular Dystrophy is, in a very real sense, a deposit in the savings bank of humanity. The interest you will receive is the productive contributions to society of the thousands whose lives you may be helping to save."

Memorial Gifts To Be Accepted At B'nai Israel

Congregation B'nai Israel will accept a set of religious books during this Friday evening's service at 67 Los Banos avenue, Daly City. The books will be presented by Mrs. William Berman in memory of her late husband, and by Mrs. Morton Dobrow in memory of her mother.

Rabbi Solomon Shore will accept the books on behalf of the congregation. The rabbi's sermon topic will be "Choosing a Chief Rabbi for Israel."

The Sunday School will present a Chanukah play and skits on Sunday, December 18, at 1:30 p.m. in the social hall of Congregation Rodef Shalom, corner of Brussels and Silliman.

The gift shop is now open every Sunday morning from 10 to noon and features many Chanukah decorations.

B'nai Israel Sisterhood is preparing for its annual rummage sale. Anyone wishing to donate rummage should contact Mrs. David Hoffman, WY 2-2821.

'Xmas Boutique' Fashions Bring Big Audience

To the delight of a capacity crowd at Westlake Bowl last Thursday, the YWCA Bowling League in cooperation with Miss Teen Shop and Lass and Laddie stores presented their annual "Christmas Boutique" luncheon and fashion show. Exciting holiday styles followed the delicious buffet that was enjoyed right on the lanes. The attractive decorations carried out the seasonal theme.

The chic models, all Y members further enhanced the party-time clothes and four dressed-alike girls presented the children's fashions.

The North San Mateo County YWCA, which sponsors the monthly luncheons and fashion shows, is busy making plans for the next gathering on January 5, a bridge and gift luncheon. Call the Y office at PL 6-7370 for further information and reservations.

Vista Mar PTA Meet To Feature Carol Singing

Vista Mar PTA will be entertained by student singers next Tuesday, December 13, in a program which starts at 12:45 p.m. in the Daly City school's multipurpose room.

The 5th and 6th grade Glee Club and representatives of kindergarten through fourth grades will entertain with a Christmas program.

PTA members, who will have their regular business meeting following the student efforts, are asked to bring the Christmas crafts they have made for display.

The PTA will present Christmas parties in the individual classrooms on Thursday, December 15.

SOCIAL SECURITY ACT

Eagles Auxiliary Takes Stand For More Survivors Benefits

The Ladies Auxiliary of the Fraternal Order of Eagles, Colma Vista Grande Aerie No. 1848, passed a resolution at a recent regular meeting seeking Congressional action to increase survivors benefits under the Social Security Act.

The resolution stated: "Present benefits as they apply to widows are inadequate and unfair. Under the present setup, when a wife dies and leaves her husband a widower after retirement, the man continues to draw full benefits. A married woman of 65 receives one-half benefit; if her husband, after retirement, precedes here in death, she gets three-fourths of what he received. Survivors benefits should be identical for the survivor whether it's the husband or wife who dies first."

Local Auxiliary President Midge Fehl stated that when President Franklin D. Roosevelt signed the Social Security

Act in 1935, he called the measure the cornerstone of a structure "which is by no means complete." Statistically speaking, women tend to outlive their husbands by six to eight years. "We think it's appropriate," said Mrs. Fehl, "that women's groups such as ours familiarize themselves with the workings of Social Security and strongly support measures correcting any inequalities inherent in it."

The Eagles' active interest in security legislation, said Mrs. Fehl, predate the introduction of the Wagner-Lewis Bill in the 1935 Congress which became the Social Security Act. Eagles began their campaign for old age pensions in 1921. The pen with which the late President Roosevelt signed the bill was given to the Eagles. It has been placed in the Order's archives in Seattle, Washington, birthplace of the fraternal group.

ART MOVIES

'Under The Black Mask' Feature Film In SF State's 3rd Program

The Creative Arts Division and the student's Art Club of San Francisco State College, in conjunction with the Associated Students, will present the third program of the fall series of art movies on Wednesday, December 14, from noon to 1 and 7:30 to 9:30 p.m. in the Main Theatre. Admission is free.

The featured film of this program is Under the Black Mask, an important film on African art, written and directed by Paul Haesaerts, maker of "From Renoir to Picasso and Rubens." The sculptures of various tribes of the Belgian Congo are shown in the natural frame of native life with authentic African music enhancing the visual power of these imaginatively photographed masks, fetishes, and ancestor statues. The film does not only reveal a critical perception but also a superior insight into the ethnographic value of these great sculptures. It is a superb introduction to African culture and its most significant contribution to art. Winner of the Grand Prize at the first International Art Films Festival at Bergamo, Italy, 1958.

'Play Of Daniel' This Weekend By College Of Notre Dame Cast

Daniel, the prophet who foretold the time of Christ's birth, is the subject and protagonist of "The Play of Daniel," which will be presented December 10 and 11 by the music and drama departments of College of Notre Dame.

A musical drama which dates from the 12th century celebration of the Christmas mystery, the play presents Daniel in two of the most striking episodes of his life. The first is his appearance at Belshazzar's feast to interpret the handwriting on the wall warning the king of the doom to follow his profanation of the sacred vessels of the Jews. The second incident portrays Daniel's miraculous rescue from the lions' den in the days of King Darius.

Sung in Latin but narrated in English, the performance will feature professional singers who have sung with the San Francisco Opera Chorus, as well as the Immaculate Heart Parish Boys' Choir, the Notre Dame Elementary School Girls' Choir, the University of Santa Clara Glee Club and the College of Notre Dame Chorus.

Scoring and editing for voices and instruments was done by Noah Greenberg, narration by W. H. Auden, and transcription of music in modern notation by Reverend Rembert Weakland, O.S.B.

College of Notre Dame's presentation will mark the second time that the Play of Daniel has been performed on the West Coast. The play was first presented in New York in 1958 by Pro Musica; toured Europe as part of President Eisenhower's International Cultural Program; and was performed for the first time on the West Coast at last summer's Bach Festival in Carmel.

Performances begin on Saturday evening, December 10, at 8:15 p.m., and on Sunday afternoon, December 11, at 2:30 p.m. Tickets may be obtained by writing or phoning the College of Notre Dame, Belmont, LYtel 3-7676.

St. Francis Heights' Playhouse To Present Christmas Stage Show

An annual Christmas stage show and party will be held under the auspices of the Hobby Playhouse of St. Francis Heights, Saturday, December 17, at 8 p.m. in Daniel Webster School auditorium, 425 El Dorado drive, St. Francis Heights, Daly City.

Thanks to the cooperation of the Jefferson Elementary School District and H. Z. Weber, principal, Daniel Webster School, the auditorium was made available for the performance. The 60-minute stage show will be held largely for parents of students attending the Hobby Playhouse. Most live in St. Francis Heights and also attend classes at Daniel Webster School.

Those participating in the song-and-dance skit titled, "A Yuletide Frolic," are for the most part in the six to nine year-old brackets. They are Misses Deborah Baldwin, Barbara Carey, Christine Drocco, Candace Gailmann, Cindy Grasseberger, Debbi James, Lori and Lisa Kaplan, Sylvia Manriquez, Maureen Mylett, Bonnie O'Malley, Margaret Peeff, Diane Sanborn, Katherine "Taffy" Scanlon, Sherilyn Scott, and Barbara Wasserman. The young male members are Howard James, Sheldon Levy and John O'Toole.

The youngsters dance and sing, but oldsters "call the tune." The orchestra of the Hobby Playhouse is unique for its senior citizen musicians. Pianist Mattie Fischer is 64; violinist Emily Dunn is 82, and her guitarist husband, Ray Dunn, is 76. Joseph Pavsek who also strums a guitar just says, "I'm drawing my old age pension." All are considered polished musicians and claim they "keep the glow of youth" playing for kiddies—and fun.

Hobby playhouse shows are produced and directed by Mrs. W. J. Scanlon, a licensed dance teacher and all-round musician. Her studio is now located at 405 Lakeshire drive, Daly City. Before moving to St. Francis Heights three months ago, it operated at 1447 Taraval street, San Francisco, under the late Charles A. Reeves, a noted

CHRISTMAS FESTIVITIES

Girl Scouts Mark December 11 For Annual 'Festival Of Gifts'

Plans for the annual Girl Scout "Festival of Gifts" are complete, according to over-all chairman Mrs. Helen Duke.

"Festival of Other Lands" will be the theme of the gift-giving and the gay Christmas party which will take place on Sunday, December 11, from 2-3 p.m. in the Daly City War Memorial building. Girl Scouts from the whole Daly City-Colma district will participate.

Included on the program will be a Chinese street scene, a Dutch dance, community singing, and a flag ceremony by Troop 210. Troops 27 and 70 will act as ushers.

Officials Named For Jehovah's Big Conference

Watchtower Convention headquarters announced today that 22 department heads and their assistants have been assigned to handle convention needs for the semi-annual conference of Jehovah's Witnesses in the San Mateo County Fairgrounds, December 23-25.

Among local witnesses serving in the many departments is Harold Casperson of 452 Lakeshire drive, Daly City. Casperson is an ordained minister of Jehovah's Witnesses and will head the public relations department for the convention. Casperson also serves as the presiding minister of the Daly City congregation.

"The purpose of the three day conference," Casperson continued, "is to provide more than the Christian fellowship that always prevails. All of Jehovah's Witnesses look forward to receiving Scriptural instruction and advanced ministerial training."

The volunteer workers are all ministers and although the convention maintenance differs from their regular preaching activity, only ministers appointed through the Watchtower Society undertake the responsibilities of serving at the convention.

Highlight of the convention will be the public Bible discourse by Lester M. Dugan, Watchtower Society district supervisor. His topic, "Is God Interested in the Affairs of Men?" will be delivered Sunday, December 25, at 3 p.m. All sessions are free and open to the public.

Gifts that are donated by the Girl Scouts will be sent to the Cheyenne Indians in Montana. Gifts which are acceptable include: socks, combs, wash cloths, tooth brushes, paste, story books, color crayons, chalk, towels, shoe laces, etc. gift wrapped. These will be packaged and sent to Indian children.

Robert Engel will act as accompanist.

All Girl Scouts in the district are invited to attend.

Youngsters In Spotlight At Final WCW Meet

The final meeting of the year for the Westlake Catholic Women will be held this Monday evening, December 12, immediately following devotion to Our Lady of Perpetual Help which begin at 8 p.m. In addition to the business to be discussed, the women present will be treated to a program given by a group of children from Our Lady of Mercy School.

Also, in keeping with the spirit of the season, the women will have a Christmas party at the conclusion of the meeting.

A report on the Day of Recollection held December 3 will be given by chairman Mrs. James Burton.

The next activity in which the women of the parish will participate will be the Cookie-Candy sale scheduled December 18. Chairman Mrs. Frank Kelechava will announce plans for this event.

Mrs. Patrick Schofield, chairman of the rummage sale, urges all members to bring rummage to the meeting. The rummage committee is especially anxious to acquire jewelry—old or new. The sale is set for March 18 and 20.

National Council of Catholic Women representative, Mrs. Philip Fraher, announced at the last meeting that the members of the Westlake Catholic Women would participate in a "Baby Shower" for needy children at Christmas time, sponsored by the N.C.C.W. The gifts should be wrapped in clear paper for easy identification, and brought to this December meeting.

Hospitality Chairman Mrs. Max Colonna, Mrs. Carl Davis, Charles Boerio, assisted by Mrs. Mrs. Frederick Arneke, Mrs. Jack Irvine, and Mrs. James Barrett, will welcome new members at this festive Christmas meeting.

TV and Radio

Two gold stars to KGO-TV for several outstanding shows that have joined the weekly lineup—the latest, ABC's excellent series, "Winston Churchill: The Valiant Years" (Sun. 10:30 p. m.). Based on the six-volume Churchill memoirs of World War II, the new series recounts those gripping days by narration, films and music—a superb production! Even though we have been exposed to the story of those trying days in other TV series, this new program is particularly impressive for two reasons—the memorable quotes of Winston Churchill which so powerfully and colorfully sets the stage for the films and the musical background that was especially composed for the program by Richard Rodgers.

Certainly rating a star, too, KGO-TV's own local production, "Expedition - California" (Tues. 7 p. m., seen as companion feature to ABC's "Expedition") which tells by film, words and music the colorful story of California's history. The series is recommended viewing for school children of all grade levels, and to assist teachers study guides have been prepared by KGO-TV and are available by writing the station.

Another award for KRON-TV's "Science in Action" produced by the California Academy of Sciences (the Academy will have to build an addition to house all the many awards collected during the past ten years). Announcement has just been made that KRON-TV has received the national "Golden Mike Award" from the American Legion Auxiliary, meeting in national convention in Miami. Specifically mentioned in the citation was "Science in Action" as an example of an "outstanding local program in the interest of youth."

While we're so busy handing out bouquets this week, several other new programs rate mention: Over KQED, a completely fascinating program "Virus," with novel laureat Wendell M. Stanley and a team of leading virologists, debuted over Channel 9 last week. With a choice of three times weekly airing (Tues. 4 p. m., Wed. 8:30 p. m., Fri. 7:30 p. m.) you shouldn't have to miss any of the series.

Important announcement, too, from KTVU, "Great Music from Chicago" series will be featured in prime evening viewing time with an early premiere date. A preview of the program will be telecast on December 19 featuring a program of special Christmas music.

Bowing this week too, over KPIX (Sun. 5 p. m.) "The Men," program designed to acquaint Bay Area viewers with their eight congressmen and two senators representing them in Washington.

KFRC is carrying the broadcasts of the Metropolitan Opera live and direct from New York every Saturday morning at 11.

KFAX will begin construction of a 50,000 watt transmitter (just authorized by the Federal Communications Commission two weeks ago) which, when completed will make KFAX-Newsradio the most powerful independent in the Bay Area.

Christmas Program At Daniel Webster

Daniel Webster PTA members and their friends are invited to a Christmas program to be presented by the School Glee Club on December 12 at 7:30 p. m. in the multi-purpose room. There will not be a business meeting on this night.

The next regular unit meeting will be held January 18 at 8 p. m.

Thos. Edison Pupils Work On Place Mats For Hospital Usage

The Junior Red Cross at Daly City's Thomas Edison School made 150 Thanksgiving place mats for use in hospitals.

The classes of Mrs. Vinnick, Mrs. Phipps, Mrs. Beltz, Mrs. Sherins, Mrs. Katsaros, Miss Ragusa and Mrs. Kazakoff worked on this project. They are busy now working on Christmas items.

RAINSTORM ASSET TO FIREMEN

Daly City firemen had the assistance of a well-timed light rainfall when they combatted a small brush fire Tuesday. The fire, of unknown cause, covered three or four acres of land near the municipal dump and Muscle Rock off the old coast highway. The firemen arrived at 3:18 p. m., and shortly thereafter a shower moved in from the ocean, wetting down the surrounding area.

No Transit Problem For Oldsters Going To Baptist Church

Westlake Community Baptist Church announces that: Those in the "over 50" group of the Senior Citizens of Westlake needing transportation will be glad to know that all the Daly City jitneys with the yellow signs stop right at the entrance to the social room of the church. This is at the corner of Southgate and Elmwood streets, where the meetings are held every Wednesday from 10:30 a. m. until 3:30 p. m.

Everyone is welcome to attend these meetings and there is no charge. Those staying through the noon hour are asked to bring their own sandwich. Coffee and tea are furnished.

At the present time the group is making attractive Christmas decorations. Some are bringing their own materials and everyone has a hand in creating attractive ornaments for the Holiday season.

Of special interest is the thrilling technicolor motion picture to be shown the afternoon of Wednesday, December 14 through the cooperation of Dick Morris of Pacific Telephone and Telegraph. It is entitled "Nike-Hercules." A companion feature, "It Sounds Familiar," will also be shown.

Anyone desiring more information may call the church office at PL 6-5400 or the director, Mrs. Alyce Madsen, PL 5-2630.

Temple Judea Plans December Activities

Temple Judea, 99 South Mayfair, Daly City, announces to the members of its congregation the following events of interest:

The teenage youth group of Temple Judea will present a Chanukah Carnival for students of the Religious School on Sunday afternoon, December 11 at 12:15. The Carnival will be held at the clubhouse adjoining Temple Judea, at 95 South Mayfair, Daly City. A variety of games, prizes, and refreshments will comprise the program.

Temple Judea Sisterhood will present an original skit by Mrs. Morris Weinberg Tuesday evening, December 13, 8 p. m. at the Temple House. Chanukah refreshments will be served. Everyone is cordially invited to attend.

Friday, December 16 — Special Sabbath Chanukah Service at the Westlake Community Baptist Church, Southgate avenue and Elmwood drive in Westlake, 8 p. m.

Sunday morning, December 18 — Religious School Chanukah program, 10 a. m.

Sunday evening, December 18 — 7 p. m., Brotherhood Father-Child Chanukah Night at Stonestown YMCA. For reservations please phone the Temple office, PL 5-6362.

The attention of all parents is called to the new Religious School term of Temple to commence with the new year. If children are not already attending Religious School now is the time to enroll them for the new term by phoning the Temple office, PL 5-6362 or bringing them to the Westlake Elementary School on Sunday morning, where registration can be made. The school is located on Lake Vista and Fieldcrest avenues in Westlake. In addition to Sunday morning classes, Temple Judea operates a week-day Hebrew School in conjunction with the Bureau of Jewish Education.

Eugene J. Daffner Completes Basic Training In Texas

Eugene J. Daffner, son of Mrs. Juanita D. Garvin of 830 Bellevue avenue, Daly City, has completed Air Force basic training.

Daffner has been selected to attend the personnel specialist course at Lackland Air Force Base, Texas.

Daffner attended Jefferson High School in Daly City.

Temple Methodist Plans Xmas Pageant

Members of Temple Methodist Church will present a Christmas Pageant, "Oh, Come To Us," by Martha Williams, on Sunday evening, December 18, at 5 p. m. This pageant will be held in the church at Junipero Serra Blvd. and 19th Ave. All three choirs of Temple Church will participate. Members and friends are invited to attend.

The Star Spangled Banner has four verses, although all of them are seldom sung.

Methodist Church Announces Holiday Choral Program

The combined choirs of the Buri Buri Community Methodist Church will present their second annual "Festival of Christmas Choral Music" Sunday, December 11, at 4 p. m. in the Sanctuary of the Church at El Campo Drive and Del Monte avenue. This is a Christmas present to the community from the music department of the church.

Participating in the concert will be the Cherub Choir (grades 1-3) under the direction of Mrs. William Gorham, the Chapel Choir (grades 4 and 5) under the direction of Mrs. Joe Florio, the Chorister Choir (grades 6-8) under the direction of Mrs. John Bassford, and the Chancel Choir (high school and adults) under the direction of Mrs. Thomas Mosac. Organist will be Mrs. Allen Lewis. Solo portions will be sung by Mrs. Joe Florio, Mrs. William Gorham and Miss Lois Colyer.

A feature of the program will be the "Twenty-third Psalm" in three different arrangements. The congregation will also join in singing a hymn using words of this famous psalm.

Rev. Allen Lewis will present a short Christmas meditation.

Admission is free, but a free will offering will be taken to aid the music program of the church.

The Jerusalem artichoke is closely related to the sunflower.

New Minister For Church Of Christ

Beginning this month, Roy Osborne Jr., will assume his new position as minister for the Church of Christ at 3459 17th street San Francisco. Since the church in the near future will be moving to its new location on Brotherhood Way, Mr. Osborne will be residing in the Palisades of Westlake.

His academic and theological background included work at David Lipscomb College, Abilene Christian College and the University of Denver. In addition to this, he has also received a degree in psychology from the University of California. His previous duties as minister in San Leandro included extensive counseling work with juveniles, marital problems and general personality problems. He is at present a member of the staff at San Quentin Prison where he conducts classes in New Testament Christianity in addition to Psychological Group Therapy.

Osborne will speak at 11 a. m. for the Sunday morning worship and 6:30 p. m. for the evening service.

Judae Becker's Brother New Lodge Master

Municipal Judge Charles Becker of Daly City will be the installing officer when his brother, Arthur S. Becker, is installed as worshipful master of Starr King Lodge No. 344, F. & A. M., on Thursday evening, December 15.

Over 500 members of the Lodge have been invited to a banquet at the Elks' Club, 456 Post street, which will precede the annual ceremonies.

Arthur Becker, executive vice president of Littleman Stores, will succeed another brother, Louis Becker of 211 Westbrook avenue, Daly City, who has been master of the Lodge since last December.

Jack Gordon and Ronald Miguel will be the new senior and junior wardens.

Other new officers will be: Hal Curtis, treasurer; Arthur Salomon, secretary; Manuel Stern, chaplain; Myron Rosenberg, senior deacon; Ben Weinstein, junior deacon; Edward H. Brown, marshal; Alvin M. Lesser, senior steward, and Samuel Taback, tiler. Haiman L. Wayne will be master of ceremonies.

Since Monday, December 26,

date of the second monthly board meeting, is a holiday, trustees will meet only once this month, on December 12, according to District Superintendent Edward Morgan.

Deadline For Entering W'lake Christmas Contest Is Dec. 19

Westlake residents have until December 19 to enter their homes in the annual Christmas Decorations Contest, sponsored by Westlake Subdivisions Improvement Association.

Entries must be in the hands of the Westlake Improvement Association, 95 South Mayfair avenue, by that date on official entry blanks published in the latest issue of the Association's newsletter, "The Westlaker."

The judges will make their rounds the night of Wednesday, December 21, from 7 to 9 o'clock. There will be prizes for the best indoor and outdoor as well as for the most consecutive-homes displays.

All the winners will be rewarded at a banquet after the holidays.

Remember, the contest doesn't cost you a cent and if you want your home judged, contact the Westlake Improvement Association, PL 5-1352.

before December 19.

The judges will be Frank Blum, Frank Pacelli, Joseph Verducci and Roy Hurlbert.

INDIANS WILL BE UP THERE

Jeff Cagers Are Rated Title Contenders With Molossi Leading Attack

The 1961 Peninsula League basketball race could be a banner year for Coach Mike Orlich's Jefferson High varsity Indians.

With the practice season underway, the Tribe on paper ranks right with Capuchino as the teams to beat for the championship.

Orlich's contenders are led by senior Gary Molossi, sharp-shooting guard who won Peninsula scoring honors a year ago and had a 16.8 points per game average. Molossi, no doubt, is one of Jefferson's best-in-history performers.

Ram Varsity Cagers Upset Faculty, 43-41

Westmoor High's varsity cagers defeated the faculty five, 43-41, Saturday night in their annual PTA holiday dinner contest before a capacity crowd in the Ram gym.

Senior forward Ron Shafer led the varsity with 16 points, but game honors went to the faculty's Byron Van Alstyne, former USC star, who tallied 23. Veteran Barry Krohn got 12 points for the varsity.

The victory was the first for the varsity over the faculty in the four-year series.

In the other game of the doubleheader, Oceana's faculty defeated the new school's varsity in the first meeting of the two squads.

'Hoedown' Slated

A "Newer Dancers Hoedown" will be presented by the Bronco Busters Square Dance Club this Saturday, December 10, from 8 p.m. at midnight at Lakeshore School, Middlefield and Euclid. Dave Byers will be the emcee and there will be "callers" from the floor.

remaining two periods as the Indians overtook the SFers. With had 13 points and Stoller 11.

The Jeff 130-pounders were outclassed, 50-15, by the Bear lightweights. Guard Mike Schultz was "high" for the Tribe with 5 points.

Coach Rich Warne, whose teams posted 11-4 and 12-2 league records the past two years, is rebuilding this time. The lone 30's veteran is senior guard George Claus.

At center, Warne has senior Jim Carmazza. The starting Jeff forwards are junior Darwyn Haanen, brother of one of Jeff's basketball greats, Barrie Haanen, and junior Walt Pickering, who like Schultz, is up from the Indians' 20's of last year.

The Jeff teams early this week met Balboa and Tamalpais in practice tilts. Next Tuesday the Indians travel to meet Santa Rosa High. On December 14 the Daly City cagers host Mission. League play opens January 13 with Burlingame.

Jeff's varsity last year was 7-7 in league play.

Amos Cendazi Week's Leader At W'lake Bowl

Amos Cendazi, bowling for Larry's Limousine, took male Bowl of the Week honors at Westlake Bowl last week with a fine 257-182-185-624 series, while laurels on the woman's side were earned by Eleanor Mathews, Sai Wu Restaurant, with a 179-201-220-600, on the button 600 series.

Evelyn Jacobs did well, qualifying in the Westlake Women's House Championship with a 802 series.

More than 100 gals attended the "On the Lanes" fashion show at Westlake last week. Sponsored by the North San Mateo YMCA Bowling League, Maxine Swett, president, the show featured fashions by Miss Teen Shop of Westlake.

Mona Baker, was commentator for the fashion-minded Daly City girls.

'Royal Neighbors' Aid New Members

Vista Grande Camp number 6035, Royal Neighbors of America, has had a very prosperous year, thanks to the co-operation of Lois Storm and officers. The program was planned for the year and received third place in the National Contest.

The Welfare Committee has collected used glasses for Veterans, worked with Daly City Committee on the hearing aids for children and donated \$15 to the Lyle Fund.

The camp plans to work with Daly City in the city's coming celebration.

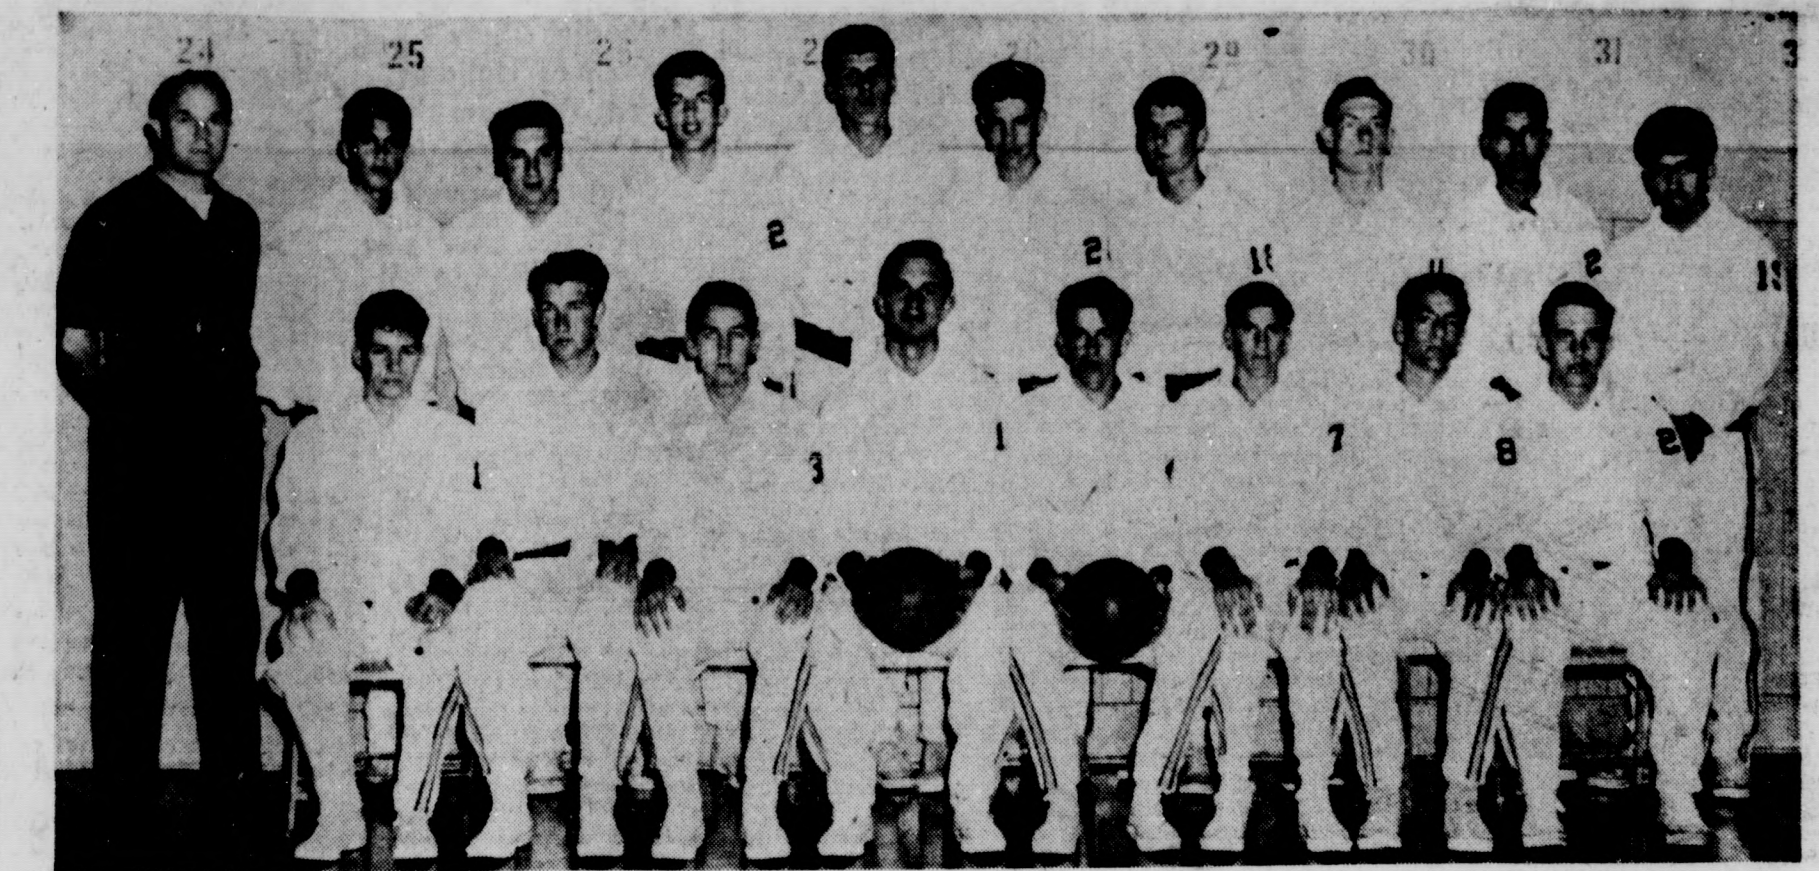

A large group attended the Oakland meeting for National Oracle Anna Spangler and a District meeting here in San Francisco with State Supervisor Christiana Hamill presiding.

The Royal Neighbors of America is an insurance organization for adults and children and now ranks as one of the foremost fraternal life insurance societies. They are ready to welcome new members at all times including new members who have moved into the neighborhood recently. Deputy Alice Didier is the insurance representative for Vista Grande Camp No. 6035. The membership committee includes Laurette Bertelli, Edith Brewer and Oracle Lois Storm.

Vista Grande Camp No. 6035 meets the first and third Fridays of each month in Little Italy Hall, Mission street, at 8 p.m.

Westlake Airman Completes Training
Airman Joseph R. Lundskog, son of Mr. and Mrs. J. W. Lundskog of 147 Morningside drive, Daly City, has completed basic military training, according to Master Sergeant Phil L. Wells, local Air Force recruiter.

Sgt. Wells, whose offices are at 6268 Mission street in Daly City, reports that Lundskog has been selected to attend the personal specialist course at Lackland Air Force Base, Texas. Joseph is a graduate of Highland High School in Salt Lake City.

COACH Mike Orlich's Jefferson Indians may be the pride of the Peninsula League in the season starting January 13. The Daly City cagers and Capuchino are co-favorites for the title.

Front row (left to right): Jack Fuertes, Allen Lee, Bobby With, Gary Molossi, Sonny Stoller, Mike Kennedy, Bill Sarris and Dennis Namany. Back row: Orlich, Craig Garcia, Larry Keeling, Dan Boden, Gary Bonini, Jeff Vozzo, Rich Reitz, Bob Brush, Gary Radulavich and Stan Montalbo. Jeff High photo

Krohn, Christman Lead W'moor Basketball, Giammona 'Optimistic'

Third place in Peninsula League standings last year (10-4), Westmoor High's varsity basketballers should be among the contenders in the 1961 campaign, thanks to the presence of seniors Barry Krohn and Terry Christman.

Coach Tony Giammona's Rams have won three of four practice games to date and should be razor sharp when league play begins January 13 against South San Francisco.

Missing from the Ram lineup are graduated All-League Bill Dougherty, 6-5 center Clark Beerman, who joined the Marines, and center Andy Saranchock, who transferred to Pennsylvania.

The slim, 5-11 Christman, nursing torn knee ligaments, should be ready again in about two weeks, and he, along with southpaw Krohn, 5-11, and transfer-from-Texas Ron Shafer, 6-2 and a senior, will provide the scoring punch with juniors Mike Daniels, 6-1, and Tony Smith, 6-2.

The Rams definitely will lack height, but they compensate with speed and ball-control.

Krohn, a rugged 190-pounder and team leader, was second team All-Peninsula last time, while Christman, 165, was honorable mention.

Smith, who like Daniels played second string last year, and Krohn may alternate at forward and center, while Shafer and Christian will handle guard duty. Daniels will work at forward.

Giammona has fair depth with reserves like Jim Lucke, a junior and All-Peninsula 20's performer; center-forward Scott Shackleford, 30's graduate Joe Butorac, and Steve Payette, a junior transfer from Lincoln of San Francisco.

The Ram varsity in practice games so far has whipped Lincoln of SF, 42-40, Lick-Wilmerding, 61-33, and Marian Catholic, 39-36. Their only loss was to Sacred Heart, 42-26, despite 13 points by Krohn.

Daniels with 17 points and Shafer with 14 were high pointers against Lick-Wilmerding. Krohn and Daniels both had 12 points against Marin Catholic.

Byron Van Alstyne's Ram 130-pounders defeated Lick-Wilmerding, lost to Sacred Heart, then decisioned Marin Catholic as frosh Jerry Mendosa, Rich Harter and Ted Tobby led the way.

This Thursday at 4:30 p.m. the Westmoor varsity meets the City College of San Francisco JV's at City College. Next week on Tuesday the Rams face Rioridan there, followed by a return game with Lick-Wilmerding in the Westmoor gym Friday night, December 16, at 7:30.

CHRISTMAS DECORATIONS

'Secret Surprise' For Outdoor Winners In St. Francis Heights

In an upsurge of civic pride coupled with creative impulse, a rash of enthusiastic responses was the immediate reaction to the annual Outdoor Christmas Decorating Contest sponsored by St. Francis Heights Improvement Association.

Thomas F. Noonan, Association president, said a committee headed by Mrs. Robert Wilson, Mrs. Stephen Goin, and Sanford Heiser have received up to a score of inquiries each day from St. Francis Heights residents.

Callers inquire among other details, (1) where trees (colored, tinted, and natural) may be purchased, (2) what sizes are permissible under contest rules, (3) what type of outdoor cable and lights are most suitable, and (4) what is the Grand Prize.

With the exception of Question 4, which must remain a secret surprise, the committee offers a number of retail locations and tree lots (including the Guardsmen lot in S. F.) where trees of various hues and sizes may be bought—allowing the purchasers to make their own choice. There is no size limit or color scheme that cannot qualify under the broad, flexible contest rules laid down by the Association's board of directors.

Meanwhile, a seamstress is busily cutting out a nifty new scarlet and fur-trimmed outfit for Santa Claus.

In deference to space-minded kids in St. Francis Heights, the Association is bowing to the mandate of the children's theory, to wit: St. Nick and his reindeer team surely must have experienced a hectic trip enroute from the North Pole ducking and dodging numerous U. S. and Russian satellites orbiting around the Earth. Therefore, his suit must be shot to pieces.

Santa is slated to park his hay-burning reindeer in a convenient stable while he tours around St. Francis Heights on the back seat of a new convertible "compact." He'll distribute some 3000 candy canes or Christmas stockings to the missile-conscious youngsters.

Date: probably Saturday, December 24, between 2 and 4 p.m.

Actual date will be verified not because of the candy canes but mostly because the kiddies are anxious to see Santa in his new raiment.

Scout Troop Sells Christmas Wreaths
Fresh, green wreaths will again be sold by the Scouts of Troop 84 in Broadmoor, Garden Village and St. Francis Heights. These large door wreaths are decorated with a bright red bow and will be available at your door Thursday evening, December 8. They are priced at \$1.25 apiece.

"And furthermore, I'll let you bowl in the Westlake Bowl Ladies' Championship Tournament next weekend."

COACH RICH BURT OPTIMISTIC ON TERRA NOVA'S CAGE DEBUT

Terra Nova High's first basketball team, headed by Coach Rich Burt, shows, according to Burt, a strong rebounding and defensive potential.

"I don't think we'll ever be a really high scoring team," says Burt. "But we have potential speed and what looks to be strong rebounding, despite a relative lack of height. Most of all, though, we have spirit and desire, and those factors often win more games than high scores."

By potential speed, Burt means that while many of his boys have good straight-away speed, they have yet to develop, because of inexperience, "court" speed; the timing and footwork and quickness and technique involved in what in basketball terminology is "speed." This is what must come about through trial and error—something a basketball team which has never before played a competitive game has difficulty in immediately achieving.

PHEASANT HUNT TOTALS LOWER THAN YEAR AGO

A five percent decline in the take of pheasants by California hunters on 19 state-managed cooperative hunting areas and waterfowl hunting areas on which checks were made was reported today by the Department of Fish and Game.

The agency said 2,949 birds were bagged, compared with 24,222 last year on the same areas.

Hunter pressure also was off—52,815 hunters used these areas this year, compared with 56,283 in 1959 on the same areas, a drop of six percent. Hunter success on these areas was just about the same as last year when hunters averaged 43 birds per man. The 1960 average was 44.

Heavy rains on opening weekend this year probably held down the number of hunters on these areas, the Department of Fish and Game commented. The rains also made hunting difficult in some areas by causing pheasants to seek heavier cover and thus become more difficult to flush.

Fred Guillory (Jr. guard, 5-9), Bud Bresnahan (Jr. forward, 5-9) and John Kelly (Jr. forward, 5-10), have shown ability to shoot. Guillory, an experienced transfer from San Francisco's Mission High and an excellent ball handler as well as shooter, could be the team's standout.

Fred Mason, a soph center (5-11) who was a football hero, thus far looks like the top rebounder.

Bartley Kerr (Jr. guard, 5-7) has been the surprise of early season practice. Not figured on for any more than a possible spot on the lightweight team, Kerr, a fine ball handler and developing play-maker, stepped into the void left by footballer Roland Isnor, himself a fine ball player who had the misfortune to suffer an ankle sprain. Isnor is now near recovery, and a real battle is expected between him and Kerr for the remaining forward spot.

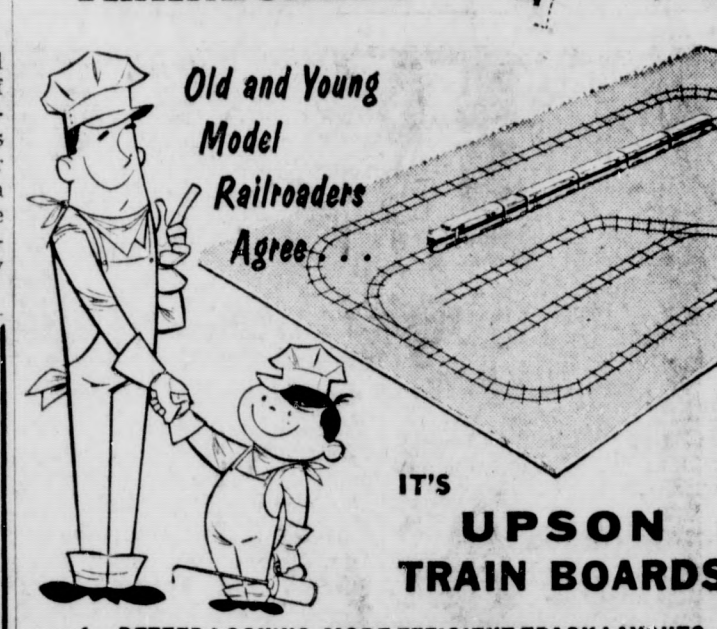

Other players in the varsity picture are centers Tom Jenkins (soph, 6-0), a top rebounder, Ralph Todd (Jr., 5-10) and guards Mike Brewer (Jr., 5-8) Barry Lahdolt (Jr., 5-8) and Dennis Carruthers (Soph, 5-8), a fine football player who is just working the kinks out of his system; and forwards Manuel Pick (Soph, 6-2) and Dewey Melton (Jr., 5-11), another couple of football standouts who rebound well.

Mike Jones (Soph, 5-11) and Bob Sale (Jr., 5-9) are also expected to make themselves known among the forwards.

Nativity Play Next Wednesday At First Congregational

The Creative Drama Group of First Congregational Church, Post and Mason streets, San Francisco, will present a Nativity play in modern dress and language, "The Christmas Offering," on Wednesday, December 14, at 8 p.m. in Plymouth Hall. Tickets at 50 cents may be obtained from the group at the church office. Mrs. Gina Beck of Westlake directs the group.
